**D) Questions:**

**Q1.** Historically, what was the largest order that was shipped out last year? Were skids required?

A.1. During the 2016 year, one of our larger order sent out to our Central Processing Site and they received the shipment for 200 boxes of 500 envelopes on 3 pallets or skids.

-----  
**Q2** Can we please get a sample of 5537 -DCU Photo Sheet Spec?

**A2.** No physical sample however please see PDF of the design included in this amendment.  
-----

**Q3. There are specifications missing in Appendix 1 please provide more detail for:**

**A.3** See the amendment to Appendix 1 for the missing detail that is available presently. See Annex B for quantities that are being required for pricing.

Quantities in Appendix 1 is based on historical information only or what is presently in warehousing. These are not guaranteed quantities that will be used to for ordering. See Annex B excel sheet for pricing elements.

For some items in CFP stock, only warehousing and distribution services may be required. If the need arises for reprinting in the future, the RCMP CFP Project Authorities will then provide the necessary specs.

**Q4.** It appears that that there is a typographical error in R.2.2. Please confirm.

**A4.** R.2.2 is deleted and replaced in this amendment.

**Changes in B.3**

**B.3 TRANSFER OF PHYSICAL INVENTORY**

The all-inclusive price includes the pick-up, transfer and receipt of approximately 105 skids of CFP inventory items from the previous supplier in Ottawa, Ontario to the Contractor's facility and the transfer of all of the inventory items to the warehousing facilities. The current inventory comprises approximately 150 **different items (different products) for total quantity of finished products of approximately 230,000** communications products and 1,500,000 forms requiring approximately 2,800 cubic feet of warehouse space. Price must include verification of the inventory as well as the pick-up of materials.

**Delete R.2.2 and replace with the following:**

R.2.2 Implementation of the ordering process
