### **Solicitation Amendment # 1**

**This amendment is hereby raised to affect the following:**

**1. To respond to vendor inquiries**

---

**1. To Respond to Vendor Inquiries**

1. Could you please check what model crane is fitted to the CCGS Cove Isle? They have 215-3 (I don't believe there is such a model. There is a model 251-3).  
**A-** It is a 215. It is a truck crane, not a ships crane; purchased in 1999.
2. Para 7 Anti -two block device. Can the crown offer the Atlas Polar Kit # for each of these kits (If not are they able to supply the parts required)?  
**A-** No. The full kits have not been developed as of yet by HIAB. The Crown requires the Contractor to supply and install an OEM (HIAB) approved after-market anti-two block device.
3. Are all the seal kits for the cylinders, winches, and control valves to be supplied as part of the known work?  
**A-** Yes
4. Is the wire rope for winches to be supplied as part of the known work?  
**A-** Yes
5. Are these cranes to be sand blasted?  
**A-** No
6. Are all the new hydraulic hoses required to be replaced part of the known work?  
**A-** Yes
7. Ref- Para 6.3.2.8 - Could you please advise on how much nondestructive thickness testing should be allowed for on the known work?  
**A-** 100 per crane or 300 total bid for all 3 cranes.
