Comments Relating to Title & Boundary			
<p>DFO has use of this waterlot and upland for as long as required. DFO will have to make a few decisions in regards to it's tenure</p> <ol style="list-style-type: none">1. INAC will want to either transfer or have it returned prior to devolution2. If DFO is to return it then all environmental concerns will have to be addressed.3. If DFO is to keep it; then a Transfer between ministers is required.4. A legal survey should be made if DFO is to acquire Fee simple title. <p>Recommendations: DFO should decide the next step in the process.</p>
