

To respond to a question received regarding potential responses to RFI 1000186271 the following clarification is provided.

The RFI has been issued for the purpose of gathering information related to the potential number of suppliers capable of meeting the requirements described, and to what extent they can do so i.e. whether a potential supplier can work solely in a single jurisdiction or with an additional jurisdiction as well. The information received will be used solely for determining a method of supply to best meet the objectives described.
