

February 10th, 2017

PROJET : PWGSC - Relocation of the Canada Revenu Agency (6th Floor – West Tower)
Guy-Favreau Complex
Invitation N° : EF944-172386
Reference : R.078221.001
N/D : 160822

ADDENDUM N° A-01

This document is an integral part of the bid documents.

QUESTIONS AND ANSWERS DURING BID:

Q1. *We have downloaded the bid documents. When we open the architectural, mechanical and electrical plans, we have this message:*

Acrobat Reader

«Impossible de trouver ou de créer la police Arial15. Il se peut que certains caractères s'affichent mal ou s'impriment mal »

The following fonts are missing :

Architecture plans : Arial

Mechanical plans : Arial15

Electrical plans : Arial20

For mechanical and electrical plans, even though we can see the information on the screen , when we try to print, the title boxes are empty.

Answer : *Please try the following procedure :*

- 1. Open with Acrobat Reader.*
- 2. In the menu, click on « Fichier » and « Imprimer » (or use icon).*
- 3. Choose appropriate printer in the menu.*
- 4. Click on « Options avancées » on the right.*
- 5. Check the box « Imprimer comme image » at the bottom of window.*
- 6. Click on « Ok ».*
- 7. Click on « Imprimer ».*

Q2. *In the project specifications, section 10 56 13 Metal Storage Shelving (Supplier RHÔ INC.), the only product by RHÔ INC. in the plan is a translucent acrylic panel system (specific note A12 on plan A04).*

Answer : The translucent acrylic panel system which is shown on plan A04, specific note 12 and also on page A10, is the system which is described in section 10 56 13 – Metal Storage Shelving. Refer to Part 2 section 10 56 13 in the specifications and to details 11 and A on page A10.

Q3. *In plan E01, it is mentioned in the lighting schedule that light fixtures F1 and F2 are provided by the owner but in section 01 11 01 there is only a mention regarding type F1 and bulbs. Who is providing F2 and the bulbs?*

Answer : Refer to the present addendum.

Q4. *Is it written in the specifications that the client is providing the suspension system for the acoustical ceiling?*

Answer : Yes, refer to section 01 11 01 article 1.2, 1.8 and 1.9 and to section 09 53 00.01 article 2.2.

Q5. *For the Demountable partitions system (PC350 Architectural Wall Systems) mentioned in section 10 22 19 article 2.1.1 of the specifications, who are the suppliers for this product?*

Answer : Refer to the present addendum.

Q6. *Are baseboards provided with the demountable partitions system?*

Answer : Refer to section 10 22 19.

ARCHITECTURE :

SPECIFICATIONS

1.0 Section 01 11 01 – Summary of Work

- .1 Article 1.2 WORK BY OTHERS, point 4.1, add item .1 as follows:
«.1 An allocation of 46,565.00\$ before taxes to be budgeted for the supplier LES SOLUTIONS DE RANGEMENT PRISMA. »
- .2 Article 1.2 WORK BY OTHERS, point 4.4, add item .1 as follows:
«.1 An allocation of 1,940.00\$ before taxes should be budgeted for the supplier ALTEL. »
- .3 Article 1.2 WORK BY OTHERS, modify point 5.2 and point 5.3 as follows :
 - «.2 Ceiling (suspension only), stored **on level S1 of the building**. Refer to architectural documents. »*
 - «.3 **F1 and F2 type lighting fixtures (including bulbs and ballasts), stored on level S1 of the building. Refer to mechanical and electrical documents.** »*
- .4 Article 1.8 PRE-PURCHASED EQUIPEMENT, modify point .1 as follows :
*«.1 Certain items of equipment have been pre-purchased (Heat pumps, acoustic ceiling suspension and **F1 and F2 type lighting fixtures including bulbs and ballasts**). Refer to Section 09 53 00.01 and 23 81 40 »*
- .5 Article 1.9 DEPARTMENTAL REPRESENTATIVE FURNISHED ITEMS, modify point 3.4 as follows :
*«.3 **F1 and F2 type lighting fixtures (including bulbs and ballasts).** »*

2.0 Section 01 91 33 – Commissioning Forms

- .1 After Part 3- Execution, and following the PERFORMANCE VERIFICATION (PV) FORMS, add the **PERFORMANCE VERIFICATION FORM**, Equipment: Electrified Hardware and Commissioning Table, see attached documents.

3.0 Section 10 22 19 – Post and Panel Demountable Partitions

- .1 Article 2.1 MATERIALS, modify point .1 as follows :
*«.1 Partition system : demountable and relocatable, such as the PC350 Architectural wall System **manufactured by LE GROUPE BEAUCHESNE or G. PROULX INC., or approved equivalent by Departmental Representative.** »*

OTHER PROFESSIONAL DISCIPLINES :

Addendum Pageau Morel NO.1 prepared by Pageau Morel et associés inc. in date of February 1st 2017 and attached, is an integral part of the current addendum.

ATTACHED DOCUMENTS :

- Section 01 91 33 – Performance Verification Form, Equipment : Electrified Hardware and Commissioning Table (11 pages – including Table of Contents)
