AMENDMENT 008**

This amendment contains the following sections:

1. Questions and Answers (Set 7)
2. Modifications to Solicitation

**Section 1: Questions and Answers (Set 7)**

Note: Questions are numerically sequenced upon arrival at PWGSC. A question and its answer will be provided via BuyandSell as the response becomes available. Potential bidders are therefore advised that questions and answers may be issued via BuyandSell out of sequence. The following questions have been received. In accordance with Article 13 under 2003 Standard Instructions - Goods or Services - Competitive Requirements (2016-04-04) which has been incorporated into the RFP in accordance with Article 2.1 of Part 2 of the RFP, the questions and corresponding answers are provided to all potential bidders as set out below:

- Q25. All of the mandatory and rated criteria require references. Digging out this information would be time consuming for many of the questions. For example, RT 1.3 – requires references for 5500 human resources placed. Even if many of the resources are under one contract, this could still lead to thousands of references being needed. When resources are under a contract, they could be located anywhere in the country and typically only their manager can confirm they worked in that role. In addition, we would have to confirm that these managers are still there before we could use them as a reference. Instead, would DND accept an invoice for each of these resources that shows their services were billed to an outside client?
- A25. To clarify, for RT 1.3, the required client reference(s) are for the contracts of services rendered, and not the individual reference(s) for each human resource. How Bidders clearly demonstrate that they fully meet the requirements of RT1.3 would be the Bidders sole responsibility.
- Q26. For MT1 and RT1, would the government please accept financial information from a third party accounting firm that shows we have more than \$450M in revenue in placing human resources?
- A26. For MT1 and RT1, how Bidders clearly demonstrate that they fully meet the requirements is the Bidder's sole responsibility.
- Q27. Would the government extend this RFP for a one month period in order for firms to collect all of this information?
- A27. No. Canada has reviewed your request, the requirement remains unchanged.

**Section 2: Modifications to Solicitation: Not applicable to this amendment.**

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED**
