This amendment contains the following sections:

1. Questions and Answers (Set 8)
2. Modifications to Solicitation

Section 1: Questions and Answers (Set 8)

Note: Questions are numerically sequenced upon arrival at PWGSC. A question and its answer will be provided via BuyandSell as the response becomes available. Potential bidders are therefore advised that questions and answers may be issued via BuyandSell out of sequence. The following questions have been received. In accordance with Article 13 under 2003 Standard Instructions - Goods or Services - Competitive Requirements (2016-04-04) which has been incorporated into the RFP in accordance with Article 2.1 of Part 2 of the RFP, the questions and corresponding answers are provided to all potential bidders as set out below:

- Q33. Section 7.16 talks about an Aboriginal Subcontracting Component. Can the Government please explain how the contractor is to “take into consideration relevant measures such as but not limited to specialized training, career development, scholarships and community outreach to help local and aboriginal communities in meeting their economic development needs.”? Can a bidder subcontract all of this to one aboriginal firm?
- A33. The Aboriginal Subcontracting Component is a mandatory requirement of the contract. The Contractor must, on an annual basis, demonstrate they have subcontracted with aboriginal businesses to satisfy the minimum dollar threshold identified by client department. Whether the Contractor elects to fulfil this requirement with one or many aboriginal businesses is at the sole discretion of the Contractor.
- Q34. Please extend this for a one month period in order to write this proposal effectively.
- A34. No. Canada has reviewed your request, the requirement remains unchanged.

Section 2: Modifications to Solicitation: Not applicable to this amendment.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED
