

This Amendment 001 is raised to make changes to RFP #160149 as follows:

1. The closing date is extended from February 27, 2017 to **March 10, 2017 at 12:00pm (EST)**

PMPRB is presently reviewing certain aspects of its RFP. We are therefore extending the closing date. Bidders will soon receive through Buyandsell.gc.ca an amendment document of the proposed changes.

All other terms and conditions remain the same.
