Q.4

Please clarify if there are insurance requirements. The wording used in section 17.0 seems to imply that contractor liability insurance is optional and that it is not a requirement?

A.4

Liability insurance is optional, it is not a requirement.

As stated in section 17.0 (Insurance requirements) the responsibility regarding insurance coverage is left to the contractor. However it does not release the Contractor from or reduce its liability under the Contract.

All other terms and conditions remain the same
