This Amendment #004 is raised to address questions and to issue addendum #4.

Questions and Answers

Q1. I see a list of antennas and Dishes to go on the tower. (tower loading for spec.) I don't see who supplies these materials. Dishes Lines hangers grounding etc. Can you verify please. Also is the CCG to supply the tower lighting for us to install also?

A1. The contractor is responsible for the supply and installation of all initial microwave antenna mounts listed in Appendix C: Antenna and Cable Schedule. CCG will supply and install the microwave antennas at a later date. For the VHF antennas, the contractor will install and CCG will supply all mounts, cabling, hangers and ground kits. For the Obstruction Lighting, the contractor will install and CCG will supply the complete obstruction lighting system which includes the lights, power cabling and controller. The contractor is responsible for the design, supply and installation of the grounding system. Addendum 004 further clarifies the material supply requirements.

All other terms and conditions remain unchanged.

Project Name: Estevan Point Light Station – 60.96m (200 ft) Guyed Tower Installation

Project Number: F1705-160169

Date: February 28, 2017

The following changes in the tender documents are effective immediately. This addendum will form part of the contract documents

Specifications

SECTION 011100 GENERAL INSTRUCTIONS

Part 1 – GENERAL

The following section is to be added to Part 3 – EXECUTION:

1.3 Work Location

.1 The following section is to be added to 1.3.1
