Q.5

Regarding Appendix C Financial Proposal, Building 72 Washrooms (picnic site) and Building 74 Preparation Room/Laboratory and washrooms are both seasonal May – November. The financial proposal is set up to multiply the monthly cost by 12 months, however, there are only 7 months for these two buildings. Do we just multiply those two buildings by 7 months to get the yearly price or is the change required for the Financial Proposal. ?

A.5

Please refer to Appendix C (Financial Proposal) **v.3**, where it is now specified that the yearly cost for Buildings 72 and 74 must be calculated by multiplying column C x 7 months.

All other terms and conditions remain the same
