This amendment 008 to the Request for Information (RFI) 23240-161141/A is raised to:

- a) clarify the registration process for the second round of industry meetings; and
- b) answer the questions received from Industry.

Therefore:

Questions and Answers:

Q1. We would be interested in participating in the second round of industry meetings. We have previously submitted signed Annex B – Engagement Participation Form that is included in the RFI document. Is an additional application required for the second round of industry meetings?

A1. Industry is requested to sign and submit a separate Annex B – Engagement Participation Form for the second round of industry meetings. The same form at Annex B should be used.

Q2. The RFI amendment #7 references a second round of questions that have been posted, however no questions are included in the amendment. How will these additional questions be provided to Industry?

A2. The additional questions will be sent directly by email upon request to the Respondents that submitted signed Annex B – Engagement Participation Form to the Procurement Authority identified in the RFI. Registered Respondents will also receive upon request other available draft documentation, including Draft Statement of Work for Industry Comments - Revision 1.
