k) Tendering Procedure: Open

l) Description (French):

Élections Canada débute un processus d'approvisionnement comportant plusieurs phases dans le cadre de Services d'hébergement et d'opérations corporatives et d'Élections.

Après l'achèvement de toutes les phases, il est prévu que le processus d'approvisionnement se conclura par la sélection d'un entrepreneur pour Services d'hébergement et d'opérations corporatives et d'Élections.

L'entrepreneur sera responsable des services d'hébergement d'entreprise, notamment des éléments suivants :

- services d'hébergement Web;
- services infonuagiques;
- hébergement des systèmes en place;
- services de reprise après sinistre;
- surveillance proactive;
- services de dépannage; et
- mise à niveau logicielle du système d'exploitation, entretien et obtention des licences associées.

m) Description (English):

Elections Canada is commencing a multi-phased, procurement process as part of the Corporate and Events Hosting and Operations Management.

After the completion of all phases, it is anticipated that the procurement process will result in the selection of a Contractor for Corporate and Events Hosting and Operations Management.

The Contractor will be responsible for Enterprise Hosting services including but not limited to:

- Web Hosting Services;
- Cloud Services;
- Legacy System Hosting;
- Disaster Recovery Services;
- Proactive Monitoring;
- Help Desk Services; and
- Operating System Software Upgrades, Maintenance and Associated Licensing.
