AMENDMENT 005

This amendment is raised to add information in Part 4, Subsection 4.1.1.2 - *Point Rated Technical Evaluation and End User Trial Evaluation*.

In Part 4, Subsection 4.1.1.2:

Delete the following paragraph:

Prior to the commencement of the End User Trial Evaluation, all End User Trial Samples will be evaluated against the mandatory technical requirements at Annex C. Rejection of any End User Trial Sample for failing to meet the mandatory technical requirements at Annex C will result in the bid being declared non-responsive. Refer to Annex D for the Point Rated Technical Evaluation and End User Trial Evaluation and Annex E for the End User Trial Questionnaire

Replace with:

Prior to the commencement of the End User Trial Evaluation, all End User Trial Samples will be evaluated against the mandatory technical requirements at Annex C. Rejection of any End User Trial Sample for failing to meet the mandatory technical requirements at Annex C will result in the bid being declared non-responsive.

During the End User Trial Evaluation, the End User Trial Samples must continue to meet all mandatory requirements found in Annex C; failure to do so will result in the bid being declared non-responsive. Refer to Annex D for the Point Rated Technical Evaluation and End User Trial Evaluation and Annex E for the End User Trial Questionnaire.

All other terms and conditions remain unchanged.
