This solicitation amendment #002 is raised to modify Solicitation EW076-173058/A dated 2017-03-03 as follows:

1) Refer to **ANNEX A – STATEMENT OF REQUIREMENT**, 3. SUMMARY OF WORK:

A) Section 3.1.14

DELETE

Product can be supplied in a concentrated form and be diluted for application

INSERT

Product **must** be supplied in a concentrated form to be **diluted and applied by the end user**. Dilution range for product application will be 1000L – 1075L chemical suppressant per seven parts water to treat 1 acre of tailings area. End-user will mix and dilute solution in field.

Mixture of dye is 1L of dye solution per 1000L of chemical suppressant, mixed subject to manufacturer's directions.

2) Refer to **ANNEX B – BASIS OF PAYMENT** – Delete in its entirety, and INSERT **(Changes have been highlighted)**

It is mandatory that Bidders submit firm unit prices for the period of the proposed Contract for all items listed hereafter. **This section, when completed, will be considered as the Bidder's financial proposal.**

Rates quoted must remain firm for the period of the Contract. Pricing must be firm unit prices **including all costs associated with providing the requirement in accordance with the Requirement, Annex A.**

In consideration of the Contractor satisfactorily completing all of its obligations under the Contract, the Contractor will be paid firm unit prices, as specified below. Applicable taxes are extra, if applicable, and to be shown as a separate item on any resulting invoice.

Offerors must provide bids as per unit of issue requested. Should there be an error in the extended pricing of the bid, the unit pricing will prevail and the extended pricing will be corrected in the evaluation.

1.0 Standing Offer Period : Date of Issue to September 30, 2018
