ADDENDUM #1

1. The following list of Treated Timber Softwood will be supplied by the owner and is to be incorporated into the work. All costs associated with the coordination, loading, transportation and unloading of the material from its current storage location to the work site is the responsibility of the contractor. The contractor is also responsible for any additional timbers required to complete the project. The timber and its current storage location to be supplied includes:

| Dimensions in meters |           |        | Unit | Quantity | Location                                      |
|----------------------|-----------|--------|------|----------|---|
| Width                | Thickness | Length |      |          |   |
| 0.2                  | 0.2       | 9.1    | EA   | 230      | Pleasant Street, Port aux Basques, NL A0M 1C0 |
| 0.2                  | 0.2       | 6.1    | EA   | 175      | 132-134 Goose Arm Road, Deer Lake, NL A8A 3H8 |
| 0.2                  | 0.2       | 6.1    | EA   | 175      | 121 Glencoe Drive, Mount Pearl, NL A1N 4T5    |

The contractor is to take precautions not to damage the materials during transportation activities. If damage occurs rendering the timber unsuitable for use, the Contractor will be responsible for replacing the material with new timber.

By submission of its tender, the Tenderer confirms that it has read and understands the requirements expressed in all addenda and has included all costs of these requirements in its Total Tender Amount.

All other terms & conditions remain unchanged.
