---

This Amendment 004 is raised to answer questions, as well as amend Annex "C" Mandatory Technical Evaluation Criteria and Annex "A" Statement of Requirement.

#### **Question 1**

Could you clarify the following statements "It is the responsibility of the contractor to pile loads where and when requested by the Project Authority" and "The park operator will ensure that the pallets are removed from the delivery vehicle and placed in the wood yard." These two statements contradict themselves.

#### **Answer 1**

The contractor will move pallets on/in the truck in a manner that allows the park operators to access them with fork-lifts for unloading. Parks operators and staff will unload the pallets from the truck, but it is the responsibility of the contractor to ensure our fork-lifts can access the pallets.

#### **At Annex "A" Statement of Requirement**

**DELETE:** It is the responsibility of the Contractor to pile loads where and when requested by the Project Authority

## At Annex "C" Mandatory Technical Evaluation Criteria

**DELETE in its entirety**

**INSERT in its place:**

### ANNEX "C" MANDATORY TECHNICAL EVALUATION CRITERIA

<b>Completion and submission of this Mandatory Specification Table is required to be considered responsive and for your bid to be given further consideration.</b> <b><u>Bidders must record whether they meet (YES) or not meet (NO) each of the specifications.</u></b>		
Item	Scope of Requirement – the following requirements are mandatory for all Bidders.	
1.	All kiln dried firewood must be provided in accordance with the following Annex A Firewood specifications:  1. All wood must be kiln-dried, suitable for use and certified "pest free". 2. Wood must be "natural" Poplar, Pine, White Spruce, Maple, Beech or Birch. 3. Wood must be split logs (not slabs) cut into lengths not exceeding 16" (40.64 cm). 4. Wood must all be sawed (not sheared), without splinters. 5. All wood exceeding 18cm / 7" in diameter must be split. 6. Wood pieces must be in shrink wrapped or individually bagged bundles and not exceed the following dimensions: 15" X 15" X 16" (38.1cm x 38.1cm x 40.64cm). Weight: Minimum: 21lbs (9.5kg) – 1 cu.ft (.03 cu metre) Maximum: 27lbs (12.24kg) – 2.08 cu.ft (.059 cu metre). 7. Elm wood is not permitted. Any load containing Elm wood will be rejected by the Parks Canada Project Authority.	Compliant: (Yes/No)
2.	All kiln dried firewood must be provided in accordance with the delivery requirements defined in Annex A Firewood specifications:	

**All other Terms and Conditions remain unchanged**
