### **QUESTIONS AND ANSWERS – SERIES I**

#### **Question 1:**

201702812

We noticed that this tender does not mention it is to be for the prequalified contractors.

Is this no more valid?

Or is this Yukon request different and if so how and why?

#### **Answer 1:**

The above mentioned requirement does not fall under Supply Arrangement #201304568/B (For the repair and maintenance of RCMP communication towers). This is because the site is on CLCA land which is not covered under the Supply Arrangement.

#### **Question 2:**

We noticed your bid on Merx and are very interested. I just wanted to make sure that our company is qualified to bid on this project?

#### **Answer 2:**

This solicitation is open to the public. To be deemed compliant, bidders must meet the mandatory technical criteria.
