This solicitation amendment 005 is raised to:

1. **Respond to Bidder's questions pertaining to the Request for Proposal W8486-163240/A; and**
2. **Amend Mandatory Criteria M3b, in Attachment 1 to Part 4 – Technical Criteria.**

### **1. QUESTIONS AND ANSWERS:**

**Question 6:** On page 34 of 45, 4. TASKS – the tasks for the EMO Coordinators clearly describes the activities as:

- b). Initiate cataloguing requests of **new equipment and vehicles**; and
- c). Ensure **vehicle management** data with DRMIS is accurate
- d). Perform tasks in compliance with
  - Treasury Board **Motor Vehicle Operations** directive
  - **Land Equipment** Management system
  - **Vehicle Inventory Management** Manual and Government **Motor Vehicle Ordering** Guide
- j). Validate master data information in DRMIS, and other related DND databases of **CF major equipment and vehicles** to ensure accuracy of the data.

Considering the tasks that the Crown has clearly described in the RFP – that of managing the movement and/or disposal of capital assets, namely new equipment and vehicles - we respectfully request that the Crown amend M3b to more accurately reflect the requirement of the Senior Equipment Movement Order Coordinators, and we believe, by doing so, the Department of National Defence will ensure the procurement of individuals who accurately reflect DND's needs on a daily and ongoing basis.

We respectfully request that the Crown amend M3b to: "The Bidder must clearly demonstrate that its proposed resources has a minimum of ten (10) years within the last twenty (20) years of practical hands-on experience in a supply chain related activity. This must include managing the movement and/or disposal of capital assets, both nationally and internationally."

**Answer 6:** The Crown is not opposed to amend M3b as requested by the bidder. See the amendment to M3b proposed by the Crown below.

**2. In the Attachment 1 to Part 4 – Technical Criteria, Mandatory Criteria M3b:**

**DELETE:**

**M3b** The Bidder must clearly demonstrate that its proposed resources has a minimum of ten (10) years within the last twenty (20) years of practical hands-on experience in a supply chain related activity. This can include the purchasing of equipment, life cycle asset management, managing the movement of capital assets, or disposal of capital assets.

**INSERT:**

**M3b** The Bidder must clearly demonstrate that its proposed resources has a minimum of ten (10) years within the last twenty (20) years of practical hands-on experience in a supply chain related activity. **This must include experience in purchasing processes, management, movement and disposal of major equipment and vehicles, both nationally and internationally.**

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.**
