SCOPE OF WORK / DELIVERABLES:

The scope of work for this project is the provision of construction activities required to demolish an existing timber pile wharf structure and construct a new treated timber crib wharf, more specifically described below and in the Drawings and Specifications. The work covered consists of the furnishing of all plant, labour, equipment and material for these improvements at Codroy, Newfoundland and Labrador, in strict accordance with specifications and accompanying drawings and subject to all terms and conditions of the Contract.

In general, the work under this contract consists of, but will not necessarily be limited to, the following:

- Demolition, removal, and disposal of existing 61.6m timber pile wharf;
- Supply and installation of a new 6.1m wide by 48.8m long treated timber crib wharf with reinforced concrete deck, mooring cleats, ladders, fenders, wheelguard, wheelguard blocking and wooden light poles;
- Supply and installation of new electrical shed all associated wiring and lighting. New shed to be operational prior to decommissioning and removal of existing building and electrical systems;
- Supply and installation of scour protection;
- Supply and installation of rock and gravel fill, shoreline rip rap for uplands development as indicated; and
- Supply and install new asphalt complete with granular sub-base as indicated.

LOCATION OF WORK, WORK SITE AND DELIVERY POINT:

Codroy, Newfoundland and Labrador

FAMILIARIZATION WITH SITE:

Before submitting a bid, bidders can visit the site and its surroundings, at their own expense, to review and verify the form, nature, and extent of the work, materials needed for the completion of the work, the means of access to the site, severity, exposure, and uncertainty of weather, soil conditions, any accommodations they may require, and in general shall obtain all necessary information as to risks, contingencies, and other circumstances which may influence or affect their bid. No allowance shall be made subsequently in this connection on account or error or negligence to properly observe and determine the conditions that will apply.

Contractors, bidders, or those they invite to site are to review specification Section 01 35 29 – Health and Safety Requirements before visiting site. Take all appropriate safety measures for any visit to site, either before or after acceptance of bid.

EXPECTED START AND COMPLETION DATES:

Start Date: Upon contract award.

Completion Date: November 1, 2017

SECURITY REQUIREMENTS:

None.

MANDATORY REQUIREMENTS:

1. The tenderer must provide tender security, at the tenderer's own cost, in accordance with the document entitled "Tender Security Requirements" as Bid Security is required for bids over \$100,000. Under these circumstances, the Tender and **original signed Bid Bond** must be delivered to the Closing Location prior to the closing date.

Note: All tender securities (Bid Bond) will be returned except that of the successful tenderer (Bidder), which will be retained until the successful tenderer (Contractor) has completed the said contract.

QUESTION AND ANSWER PERIOD:

Bidders should note that all questions regarding this Invitation To Tender are to be submitted **ONLY** in writing by email, no later than **Monday, April 17, 2017, 2:00 PM (EDT)** to the contract Officer listed below. The department may be unable to respond to questions submitted after that date.

Fisheries and Oceans Canada will not necessarily accept the lowest or any of the tenders received and reserves the right to reject any and all tenders received which shall be final and at the sole discretion of the Department.
