This amendment has been issued to provide responses to the following submitted questions:

Q1. We realize that the annual usage figures are just estimates, but for planning purposes we need to know if we have capacity to meet your needs or not. Are these figures provided based on previous usages? If so, shouldn't there be more than 110 set up charges if you are looking to rent 180 units by the day and 190 units by the week?

R1. The quantity of 180 and 190 are not necessarily the number of units but a cross between units and days so the 180 (180 days) could be 1 unit for 5 days or 1 unit for 1 day.

Q2. Approximately how many days out of the year will you be looking to rent units by the day?

R2. Probably from 5 to 10 times.

Q3. Approximately how many weeks out of the year will you be looking to rent units by the week?

R3. Depending on the number of exercise that are hosted and during Maple Flag and Cadet Camp. Maple Flag is approx. 4 weeks and Cadet Camp runs July and August.

Q4. Is there a prescribed schedule that must be followed for the vac-cleaning of the units?

R4. Each requirement is different some units are scheduled to be cleaned twice per week others once per week depending on usage. The units that are required for the RV Campground are cleaned once per week on Fridays with rental from mid-May to mid-Oct.

All other terms and conditions remain the same.
