AMENDMENT 002

This Amendment is raised to:

- (a) Address questions raised by industry; and
- (b) Revise the Solicitation.

Question 1:

At least one of the documents in the electronic file identified in Annex A identifies a mandatory viewing. Is there a mandatory site visit?

Response to Question 1:

There is no mandatory site visit. Please disregard any references to a mandatory (or "Mandatory" [sic]) viewing on April 13, 2017. Information regarding the optional bidders' conference and optional site visits can be found in Articles 2.5 and 2.6 of the Solicitation.

Revision 7:

Two additional pieces of work have come up:

- Service Prime Mover Controls System; and
- Fuel Monitoring System.

These two pieces of work are identified with a priority of MANDATORY and are incorporated into the Technical Specification.

The Pricing Data Sheet will be revised at a later date via a subsequent solicitation amendment.

Replace Annex A (Technical Specification) in its entirety with the following text:

"

ANNEX A Technical Specification

1. The Technical Specifications and accompanying documents are contained within the electronic files named:
F7049-160318_AnnexA_Specifications_Version02.zip."

ALL OTHER INSTRUCTIONS, TERMS AND CONDITIONS REMAIN UNCHANGED.
