The Request for Standing Offers (RFSO) is divided into six parts plus attachments and annexes, as follows:

2. Summary

Description of Requirement – See Annex A – Requirement (attached).

3. Security Requirement

There is no security requirement applicable to this Standing Offer.

4. Debriefings

After issuance of a standing offer, Offerors may request a debriefing on the results of the request for standing offers process. Offerors should make the request to the Standing Offer Authority within 15 working days of receipt of the results of the request for standing offers process. The debriefing may be in writing, by telephone or in person.

PART 2 - OFFEROR INSTRUCTIONS

1. Standard Instructions, Clauses and Conditions

All instructions, clauses and conditions identified in the Request for Standing Offers (RFSO) by number, date and title are set out in the Standard Acquisition Clauses and Conditions Manual issued by Public Works and Government Services Canada.
<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual>

Offerors who submit an offer agree to be bound by the instructions, clauses and conditions of the RFSO and accept the clauses and conditions of the Standing Offer and resulting contract(s).

The 2006 (2016-04-04) Standard Instructions - Request for Standing Offers - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the RFSO.

2. Submission of Offers

Offers must be submitted only to Public Works and Government Services Canada (PWGSC) Bid Receiving Unit by the date, time and place indicated on page 1 of the Request for Standing Offers.

Offers must be submitted for each period as per the pre-determined Schedule of Tender Closing Dates (See Annex B).

You must submit your offer, **by mail or facsimile**, prior to the closing time and date:

By mail at the following address:

Public Services and Procurement Canada
Acquisitions Directorate
800, rue de la Gauchetière Ouest, **Suite 1110**
Montréal, Québec H5A 1L6

By facsimile, at the following number: (514) 496-3822

Once your offer has been completed and transmitted by mail or facsimile, **a copy of the Annex B** (Excel file) **must** be sent by electronic mail to the following address:

QueAlimentationSoumissionsMtl.QueFoodSupplyTendersMtl@tpsgc-pwgsc.gc.ca.

3. Enquiries - Request for Standing Offers

All enquiries must be submitted in writing to the Standing Offer Authority no later than **seven (7) calendar days** before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by Offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the questions or may request that Offerors do so, so that the proprietary nature of the question is eliminated, and the enquiry can be answered to all offerors. Enquiries not submitted in a form that can be distributed to all offerors may not be answered by Canada.

4. Applicable Laws

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in the province of Quebec.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the Offerors.

5. Product Compliance

No substitute/equivalent (brand/format) will be accepted for all items marked as MANDATORY and/or NO SUBSTITUTE in Annex B. If a product has been discontinued or its format has been modified, a notification from the manufacturer must be transmitted with the Offer.

PART 3 - OFFER PREPARATION INSTRUCTIONS

1. Offer Preparation Instructions

Canada requests that Offerors provide their offer in separately bound sections as follows:

Section I: Financial Offer (one (1) hard copy and one (1) soft copy by email)

Section II: Certifications (one (1) hard copy)

If there is a discrepancy between the wording of the soft copy and the hard copy, the wording of the hard copy will have priority over the wording of the soft copy.

Prices must appear in the financial offer only. No prices must be indicated in any other section of the offer.

Canada requests that Offerors follow the format instructions described below in the preparation of their offer.

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;
- (b) use a numbering system that corresponds to that of the Request for Standing Offers.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process [Policy on Green Procurement](#).

<http://www.tpsgc-pwgsc.gc.ca/ecologisation-greening/achats-procurement/politique-policy-eng.html>

To assist Canada in reaching its objectives, Offerors should:

- 1) use 8.5 x 11 inch (216 mm x 279 mm) paper containing fibre certified as originating from a sustainably-managed forest and/or containing minimum 30% recycled content; and
- 2) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.

Section I: Financial Offer

Offerors must submit their financial offer in accordance with Annex B - List of products. The total amount of applicable taxes is to be shown separately, if applicable.

It is requested that Offerors send one (1) hard copy by mail or facsimile and one (1) excel version by electronic mail at the following address:

QueAlimentationSoumissionsMtl.QueFoodSupplyTendersMtl@tpsgc-pwgsc.gc.ca.

Annex B – List of products (Attached separately)

This document includes the Schedule of Tender Closing Dates, the Closing Pages and the list of Products for each of the **four (4) periods**.

The Schedule of Tender Closing Dates specifies the Closing Dates for each period. It is important to use the appropriate Closing Page, matching the period for which the offer applies.

The Offerors will complete Annex B using the Excel spreadsheet and make sure it has been properly completed and contains all required information.

Electronic Payment of invoices

If you are willing to accept payment of invoices by Electronic Payment Instruments, complete Annex E - Electronic Payment Instruments, to identify which ones are accepted.

If Annex E - Electronic Payment Instruments is not completed, it will be considered as if Electronic Payment Instruments are not being accepted for payment of invoices.

Acceptance of Electronic Payment Instruments will not be considered as an evaluation criterion.

Section II: Certifications

Offerors must submit the certifications required under Part 5.

PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

1. Evaluation Procedures

- (a) Offers will be assessed in accordance with the entire requirement of the Request for Standing Offers including the financial evaluation criteria.
- (b) An evaluation team composed of representatives of Canada will evaluate the offers.

1.1. Financial Evaluation

Offers will be evaluated on the “**unit price**” of each item, standardized as required, according to the estimated quantities.

A standardization using the ‘rule of 3’ will be used when the format of an item offered differs from the format requested.

Example: Format requested: 4 L
Format offered: 3.8 L at \$5.25
Standardized price: $(\$5.25 \times 4L) / 3.8L = \underline{\$5.53}$

1.1.1 Evaluation of Price

The price of the offer will be evaluated as follows:

- a. Canadian-based offerors must submit firm prices, Canadian customs duties, packaging, shipping & delivery and excise taxes included, and Applicable Taxes excluded.
- b. Foreign-based offerors must submit firm prices including packaging, shipping & delivery. Canadian customs duties, excise taxes and Applicable Taxes must be excluded. Canadian customs duties and excise taxes payable by Canada will be added, for evaluation purposes only, to the prices submitted by foreign-based offerors.

1.1.2 Unless the Request for Standing Offers (RFSO) specifically requires offers to be submitted in Canadian currency, offers submitted in foreign currency will be converted to Canadian currency for evaluation purposes. The rate given by the Bank of Canada in effect on the RFSO closing date will be applied as a conversion factor to the offers submitted in foreign currency.

1.1.3 For the purpose of the RFSO, Offerors with an address in Canada are considered Canadian-based Offerors, and Offerors with an address outside of Canada are considered foreign-based Offerors.

3.1 SACC Clause: C3011T (2013-11-06) – Exchange Rate Fluctuation

2. Basis of Selection

2.1 Basis of Selection - Multiple Items

An offer must comply with the requirements of the Request for Standing Offers and meet all mandatory technical evaluation criteria to be declared responsive. The responsive offer with lowest evaluated price on a “**per item**” basis will be recommended for issuance of a standing offer.

The respect of the brands and formats requested by the client (Mandatory = No Substitute versus Acceptable = equal to or equivalent) will be taken into consideration in the evaluation.

Please note that PWGSC reserves the right to issue **up to three (3) standing offers per period and per region** if this way of proceeding proves more advantageous for Canada.

PART 5 - CERTIFICATIONS

Offerors must provide the required certifications and additional information to be issued a standing offer.

The certifications provided by Offerors to Canada are subject to verification by Canada at all times. Unless specified otherwise, Canada will declare an offer non-responsive, will have the right to set-aside a standing offer, or will declare a contractor in default if any certification made by the Offeror is found to be untrue whether made knowingly or unknowingly during the offer evaluation period, during the Standing Offer period, or during the contract period.

The Standing Offer Authority will have the right to ask for additional information to verify the Offeror's certifications. Failure to comply and to cooperate with any request or requirement imposed by the Standing Offer Authority will render the offer non-responsive, result in the setting aside of the Standing Offer or constitute a default under the Contract.

1. Certifications Required with the Offer

Offerors must submit the following duly completed certifications as part of their offer.

1.1 Integrity Provisions - Declaration of Convicted Offences

In accordance with the [Ineligibility and Suspension Policy](http://www.tpsgc-pwgsc.gc.ca/ci-if/politique-policy-eng.html) (<http://www.tpsgc-pwgsc.gc.ca/ci-if/politique-policy-eng.html>), the Offeror must provide with its offer the required documentation, as applicable), to be given further consideration in the procurement process.

2. Certifications Precedent to the Issuance of a Standing Offer and Additional Information

The certifications and additional information listed below should be submitted with the offer, but may be submitted afterwards. If any of these required certifications or additional information is not completed and submitted as requested, the Standing Offer Authority will inform the Offeror of a time frame within which to provide the information. Failure to provide the certifications or the additional information listed below within the time frame provided will render the offer non-responsive.

2.1 Integrity Provisions – Required Documentation (see Annex D)

In accordance with the *Ineligibility and Suspension Policy* (<http://www.tpsgc-pwgsc.gc.ca/ci-if/politique-policy-eng.html>), the Offeror must provide the required documentation, as applicable, to be given further consideration in the procurement process.

2.2 Federal Contractors Program for Employment Equity - Standing Offer Certification

By submitting an offer, the Offeror certifies that the Offeror, and any of the Offeror's members if the Offeror is a Joint Venture, is not named on the Federal Contractors Program (FCP) for employment equity "FCP Limited Eligibility to Bid" list) available at the bottom of the page of the [Employment and Social Development Canada-Labour's](http://www.esdc.gc.ca/en/jobs/workplace/human_rights/employment_equity/federal_contractor_program.page?&_ga=1.229006812.1158694905.1413548969) website:

Canada will have the right to declare an offer non-responsive, or to set-aside a Standing Offer, if the Offeror, or any member of the Offeror if the Offeror is a Joint Venture, appears on the "FCP Limited Eligibility to Bid" list at the time of issuing of a Standing Offer or during the period of the Standing Offer.
