Supply and Delivery of Bulk Propane - Amendment #1

1. Optional site visit for all interested, potential suppliers to be held at CFB Suffield on **Thursday, May 25, 2017 at 11:00am**. CFB Suffield is located 53km west of downtown Medicine Hat.

If interested in attending, please submit attendees' name, company name and complete contact information to the following email address on or before **Wednesday, May 17, 2017**;

nancy.baessler@pwgsc-tpsgc.gc.ca

Site visit attendees will be traveling through the training area so appropriate clothing should be worn.

2. Solicitation closing date has been EXTENDED. Request for Proposal will now close on **Monday, June 5, 2017 at 2:00pm CST**. Ensure your proposal is received on or before this date/time.
3. Request received from potential supplier to provide the annual volume (in litres) for each location identified in the RFP. However, DND does not track the usage per tank and it will fluctuate depending on training schedules and weather. The only tank that is tracked is the Crown Owned Tank at Building 210 which used approximately 6500 litres last year.
