This amendment has been raised with the following changes:

AMENDMENT #003:

REVISED CLOSING DATE TO: 02:00 PM MDT on 2017-05-19.

If your bid has already been forwarded and you wish to revise the same, this revision should reach the Bid Receiving Unit identified on Page 1 before the closing date.

ADDENDUM #002:

CLARIFICATIONS

A. Revise depth of subgrade preparation on drawings C-8 and C-10 from 200mm to 150mm.

QUESTIONS & ANSWERS

Q1 The subgrade prep as shown on the drawings is 200mm, the tender form shows 150mm, please clarify.

A1 Subgrade prep will be to a standard depth of 150mm or, when directed by the Departmental Representative, 300mm. The drawings are to be revised to 150mm depth of subgrade preparation.

Q2 For the cash allowance of \$20,000, will the contractor be including markup in the bid or will be the markup form part of the \$20,000?

A2 Any mark-up on the cash allowance expenditures is to be included in the contractor's lump sum bid price. The utility cash allowance of \$30,000 (*Addendum 1*) will be used to reimburse contractors for actual franchise utility costs incurred.

Q3 Will the contractor be responsible for the surveying quantities for the work as part of "construction layout"?

A3 The Departmental Representative will be responsible for surveying and calculation of quantities for measurement.

END OF AMENDMENT
