## AMENDMENT 001

This amendment is being raised to respond to questions submitted in response to solicitation 5P420-17-5087/A:

### A. QUESTIONS AND ANSWERS

Q1. Are there site plans for the Campgrounds B, C and D?

A1. See DSP 2 – 17-5087 folder for the site plans for the three campgrounds which indicates the locations of the repair areas and repair types. Note that these figures are for information purposes only, and the successful bidder shall confirm locations and repair type required prior to construction.

Q2. Asphalt Patches

- a. What does the work include
- b. Area, sizes, number of patches
- c. Asphalt depths

A2. The patching item generally requires the hand placement and compaction of asphalt in pot holes. The potholes noted in the figures are typically 1m<sup>2</sup> or less and range from 20mm to 200mm depth. In addition, a quantity has been carried as a percentage of the Overlay / Remove & Replace repair areas and will be used as required to prepare the repair area for an overlay.

Q3. Is there a stockpile site for millings or do they get hauled out of park?

A3. Contractor is responsible for disposing of millings. Millings are to be disposed of out of Park.

Q4. Is this a contractor source for asphalt and gravel?

A4. Yes. Contractor is to supply all asphalt and gravel as required by contract documents.

***All other terms and conditions remain the same.***
