QUESTION & ANSWER

Q1 We were going through the security requirements that are mandatory for the bid. Unfortunately, our organization doesn't have DOS and according to the procedure, to obtain a DOS we need a Procurement Officer to sponsor us.

Can you please walk us through the process, so that we can have things started on our end?

A1 It is the intention of Agriculture and Agri-Food Canada to sponsor the winning bidder for DOS Security after the Invitation to Tender closing date.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
