

**ENTERPRISE PERIMETER SECURITY SOLUTION
INVITATION TO QUALIFY (EPS-ITQ)**

AMENDMENT NO. 002

This ITQ Amendment No. 002 is raised to; Answer for questions received.

Publish Canada's responses to the following questions received.

Question	Answer
<p>1 - Annex B.5, Mandatory Experience Requirement #5, requires that the 'Respondent must demonstrate they have OEM certified resources identified with significant and extensive experience that are able to design, configure and implement the security solution to be proposed by the Respondent in the RFP phase.'</p> <p>Seeing as Canada has not released its RFP and SOW, it is difficult for us to link our OEM certified resources and experience to our RFP response or proposed solution.</p> <p>Will Canada amend its requirement and update the Mandatory Experience Requirement #5 as follows: The Respondent must demonstrate they have OEM certified resources identified with significant and extensive experience that are able to design, configure and implement an enterprise perimeter security solution.</p>	<p>Please see change to Annex B.5, Mandatory Experience Requirement #5 in ITQ amendment 001.</p>
<p>2 - We have been working to ensure that we have the references to qualify and believe that we are in a position to do so. But, we realize that questions were to be submitted by May 9, but I would kindly ask for an extension.</p>	<p>Due to schedule constraints related to the deployment of the resulting contract, no further extensions will be provided.</p>
<p>3 - As next week is a short week based on the Stat holiday on Monday and in order to formulate a comprehensive and fully compliant response, we are respectfully requesting an extension to the delivery due date. Could SSC please extend the delivery due date by one week?</p>	<p>Due to schedule constraints related to the deployment of the resulting contract, no further extensions will be provided.</p>

4 - We would like to provide a response to the EPS ITQ. However, due to vacation schedules within our reference base, we require a 1 week extension to the current closing date. Please let us know if this would be possible.	Due to schedule constraints related to the deployment of the resulting contract, no further extensions will be provided.
