DELIVERABLES / SCOPE OF WORK

Please reference the “Specifications” within this invitation to tender.

The scope of work consists of the furnishing of all plant, labour, equipment, and material for wharf repairs at Heart’s Content, NL. The work will be completed in strict accordance with the specification and accompanying drawings and subject to all terms and conditions of the Contract.

The project work will consist of, but will not necessarily be limited to, the following:

- Partial demolition of the existing concrete slab and paved approach, including concrete, reinforcing steel, asphalt, granulars, backfill and steel angle.
- Supply and installation of geotextile at the back of the existing cribwork, as shown on the drawings.
- Supply and installation of new rock/gravel fill, granulars, reinforced concrete slab on grade and asphalt, as noted on the drawings.

FAMILIARIZATION WITH SITE

Before submitting a bid, bidders can visit the site and its surroundings, at their own expense and schedule, to review and verify the form, nature, and extent of the work, materials needed for the completion of the work, the means of access to the site, severity, exposure and uncertainty of weather, soil conditions, any accommodations they may require, and in general shall obtain all necessary information as to risks, contingencies and other circumstances which may influence or affect their bid. No allowance shall be made subsequently in this connection on account of error or negligence to properly observe and determine the conditions that will apply.

Contractors, bidders, or those they invite to site are to review specification section on Health and Safety before visiting site. Take all appropriate safety measures for any visit to site, either before or after acceptance of bid.

Expected Start and Completion Dates

The services of the Contractor will be commencing on award of the contract. The expected

Fisheries and Oceans
Canada

completion date of this project is **August 11, 2017**.

MANDATORY REQUIREMENTS:

- The minimum acceptable amount of Public Liability and Property Damage Insurance is \$2,000,000.00 per occurrence. All tenders **must** be accompanied by confirmation from the tenderer's insurance company that the required insurance will be available upon contract award;
- The tenderer must provide tender security, at the tenderer's own cost, in accordance with the document entitled "Tender Security Requirements" as Bid Security is required for bids over \$100,000. Under these circumstances, the Tender and **original signed Bid Bond** must be delivered to the Closing Location prior to the closing date.

Note: All tender securities (Bid Bond) will be returned except that of the successful tenderer (Bidder), which will be retained until the successful tenderer (Contractor) has completed the said contract.

Question and Answer period: DFO will accept questions from Bidders **until Thursday, June 01, 2017**. These are to be sent **directly and only** to the contracting Officer listed below.

Enquiries regarding this Invitation to Tender are **ONLY** to be submitted in writing by emailing to the following:
