Publish Canada's responses to the following questions received.

Question	Answer
<p>1 - Mandatory questions #1 and #4 both require references based on integrated solutions that provide perimeter security services to government organizations. In order to ensure our references are compatible with Canada's requirements, can SSC quantify the requirements in Mandatory's 1 and 4? Example, 'the Respondent must have successfully developed, implemented and integrated an Enterprise Perimeter Security Solution for two distinct clients, with a minimum of 10,000 users each (or 100,000 concurrent SSL sessions), including one Canadian federal government client, over a period of at least 12 continuous months in the last 5 years leading up to the ITQ.'</p>	<p>Please refer Annex B ITQ definition in amendment # 001.</p>
<p>2 - With respect to Annex B.1, can we use our Canadian Crown Corporation client as a representation of a Canadian government (federal, provincial, municipal) client?</p>	<p>Yes. Canada will accept using Government of Canada Crown Corporation as client representative.</p>

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.
