

ADDENDUM # 1

Date: May 23, 2017

Project: Horse clinic wall resurfacing

Bidders must make sure that their bids are based on the latest version of the tender documents published and take into consideration the following amendments and information, including any information provided on amendments or Q&A previously published for this project.

Bidders that do not comply with this requirement will be discarded.

Amendment #1:

ADD:

General Requirements, Section 010050

- 1.1.1.2 Contractor shall modify large sliding door frame and/or sliding hardware to ensure new FRP panelling can be installed on face of door as specified.
 - 1.1.1.3 All electrical equipment requiring disconnection and reinstallation shall be done by a licensed electrician. Once all FRP panelling has been installed and the electrical devices reinstalled, the Contractor shall have the work inspected by the Electrical Safety Authority (ESA) complete with electrical safety inspection certificate.
-

All other terms and conditions remain the same
