Standing Offer – Radio Communications Technologist Services for the Parks Canada Agency

---

This amendment is raised to respond to a bidder question.

---

**1. Question:**

Are the resources to be provided all expected to work from within the Parks Canada facility in Calgary Alberta?

**Answer:**

The work under this Request for Standing Offer (RFSO) is broken up into three separate "Zones" that each define a slightly different work requirement. The Zones are identified in the RFSO as follows:

Zone 1 – Calgary Radio Shop

Zone 2 – National Parks (excluding Wood Buffalo National Park)

Zone 3 – Wood Buffalo National Park

Zones 2 and 3 refer to work that takes place on site in the National Parks. Only Zone 1 covers work for the Calgary Radio Shop.

As stated in the Statement of Work at Annex "A":

"The Standing Offer Holder must be able to provide on-site services at the Parks Canada Radio Shop (Calgary, AB) for a minimum of 10 days per month, 7.5 hours per day. Note: actual work requirements offered may vary."

Therefore, at least some portion of the work in Zone 1 does need to take place on site at the Parks Canada Calgary Radio Shop location. This does not restrict work from also taking place at the Offeror's location of business. Where the work under a resulting call-up against a standing offer will be performed is to be determined by the nature of work for each individual call-up.
