**2) Questions and Answers**

Q1. In the Bid and Acceptance Form (BA) item BA06 Construction Time, States that:

While in the Specification Section "01 11 00 Summary of Work" Item "1.9 Work Restrictions" States:

Can you please clarify, is it 4 months or one year to complete the work?

There will be allowance for the Contractor to store containers of hazardous materials or other waste material on-site over winter if they are unable to backhaul them on a barge before freeze up, so long as they arrange for removal during FY 2018-19. Revisions to the specifications are attached in Addendum 004.
