Question 1

On page 2 of the RFQ document, there are 16 buildings that indicate maintenance yet the schedule A Equipment by building list shows approx. 10 buildings. Is the list in Schedule A complete?

Answer 1

Schedule A is complete. There are a total of 15 buildings listed. The missing building is part of the Public Market, which is made up of 6 buildings.

All of the units are accounted for in Schedule A.
