DELIVERABLES / SCOPE OF WORK

Please reference the “Specifications” within this invitation to tender.

Fisheries and Oceans
Canada

Work under this contract includes, but is not limited to, the provision of all labour, materials, and equipment required to:

- Procure surveyor to complete layout;
- Design, supply and install foundations for two [2] new AtoN (Aid to Navigation) towers using provided geotechnical report and capable of supporting the associated load as determined by the project engineer;
- Design and construct a culvert style entrance into the site and gravel access-way running to both new AtoN tower locations;
- Fabricate two [2] AtoN towers using supplied drawings in Appendix B3;
- Transport two [2] AtoN towers to the site;
- Erect the new AtoN towers, including all appurtenances;
- Pick up day-marks and associated hardware from CCG and install on new towers;
- Remove to grade and dispose of the existing rear range;
- Execute close-cut clearing to establish visibility corridor;
- Restoration as necessary; and,
- Erect and maintain any and all measures required to complete the works in consideration of the reasonably anticipated weather conditions during the construction period

Work under this contract excludes:

- Installation of lanterns and associated equipment; and,
- Fabrication of lanterns, day-marks and associated equipment

FAMILIARIZATION WITH SITE

Before submitting a bid, bidders can visit the site and its surroundings, at their own expense, to review and verify the form, nature, and extent of the work, materials needed for the completion of the work, the means of access to the site, severity, exposure, and uncertainty of weather, soil conditions, any accommodations they may require, and in general shall obtain all necessary information as to risks, contingencies, and other circumstances which may influence or affect their bid. No allowance shall be made subsequently in this connection on account or error or negligence to properly observe and determine the conditions that will apply.

Contractors, bidders, or those they invite to site are to review specification Section 01 35 30 – Health and Safety Requirements before visiting site. Take all appropriate safety measures for any visit to site, either before or after acceptance of bi

Expected Start and Completion Dates

The services of the Contractor will be commencing on award of the contract. The expected completion date of this project is **October 31, 2017**.

Fisheries and Oceans
Canada

MANDATORY REQUIREMENTS:

- The minimum acceptable amount of Public Liability and Property Damage Insurance is \$2,000,000.00 per occurrence. All tenders **must** be accompanied by confirmation from the tenderer's insurance company that the required insurance will be available upon contract award;
- The tenderer must provide tender security, at the tenderer's own cost, in accordance with the document entitled "Tender Security Requirements" as Bid Security is required for bids over \$100,000. Under these circumstances, the Tender and **original signed Bid Bond** must be delivered to the Closing Location prior to the closing date.

Note: All tender securities (Bid Bond) will be returned except that of the successful tenderer (Bidder), which will be retained until the successful tenderer (Contractor) has completed the said contract.

Question and Answer period: DFO will accept questions from Bidders **until Friday, June 23, 2017**. These are to be sent **directly and only** to the contracting Officer listed below.

Enquiries regarding this Invitation to Tender are **ONLY** to be submitted in writing by emailing to the following:
