ADDENDUM NO. 1

Subject: **ITT Invitation to Tender No. FP802-170041
Communication Tower Replacements**

Dear Sir/Madam:

Further to the above-mentioned Invitation to Tender, this Addendum (#1) is to advise potential bidders of the changes to the documents concerning the revised completion date of the project from August 31, 2017 to October 31, 2017 and additional work as follows:

Delete: FP802-170041 Communication Tower Replacements – Cambridge Bay NU English form

Insert: FP802-170041 **Revised** - Communication Tower Replacements – Cambridge Bay NU English form

Delete: FP802-170041 SOW - Cambridge Bay - Tower Replacements

Insert: FP802-170041 **Revised** SOW - Cambridge Bay - Tower Replacements-Revised June 13 2017

Additional Work:

Please be advised that the Department shares the site (Cambridge Bay) with NAV Canada and has requested to be a part of the Cambridge Bay project. One of the towers that we are replacing has some of their antennas attached to it in addition to the Departments. NAV Canada has provided a Statement of Work (attached hereto) for clarity on materials they want used. The only additional work involved is installing a winch which currently does not exist on their side of the tower.

Insert: NAV Canada – Statement of Work to the ITT package

All other terms and conditions remain unchanged.

Tenderers are to acknowledge this Addendum by signing in the space provided below and enclosing a copy of this document with their tender submission.

Yours truly,

(Original signed by)

Beverly Shawana

Senior Contracting Officer,

Financial & Materials Management Operations
