4. Enquiries – Bid Solicitation

All enquiries must be submitted in writing to the Contracting Authority no later than five (5) business days before the bid closing date. Enquiries received after that time may not be answered.

Bidders should reference as accurately as possible the numbered item of the bid solicitation to which the enquiry relates. Care should be taken by bidders to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that the Bidder do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Bidders. Enquiries not submitted in a form that can be distributed to all Bidders may not be answered by Canada.

5. Applicable Laws

Any resulting contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in Nova Scotia.

Bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their bid, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the bidders.

scope of work of this contract are not in dispute. The Office of Procurement Ombudsman may be contacted by telephone at 1-866-734-5169 or by e-mail at boa-opo@boa-opo.gc.ca.

21. Proactive Disclosure of Contracts with Former Public Servants

By providing information on its status, with respect to being a former public servant in receipt of a Public Service Superannuation Act (PSSA) pension, the Contractor has agreed that this information will be reported on departmental websites as part of the published proactive disclosure reports, in accordance with Contracting Policy Notice: 2012-2 of the Treasury Board Secretariat of Canada.

22. Information Guide for Contractors

Prior to the commencement of any work, the Contractor certifies that its employees, or employees of its subcontractors, working under contract for CSC will complete the applicable Module(s) and retain the signed checklist(s) from the CSC "Information Guide for Contractors" website: www.bit.do/CSC-EN.

23. Government Site Regulations

SACC Manual Clause A9068C (2010-01-11) – Government Site Regulations

13.3 As part of CSC's accountability with respect to the delivery of health services, the Chief Health Services may request that the Contractor provide input into reports on health care delivery e.g. infectious diseases surveillance, opiate substitution therapy, chronic disease prevalence.

14. Constraints:

14.1 Working within a correctional institutional environment:

- a) In a Correctional Environment there is the possibility of diversion of high abuse potential medications and for security reasons there are restrictions with respect to prescribing that may not exist in the community. Issues surrounding potential diversion, high abuse potential of narcotics and other security issues may occur in CSC Institutions.
- b) While the expectation is that medical practices in CSC institutions are generally consistent with community practice, because the care provided as part of this contract is within a prison setting, there are some limitations with respect to practice. CSC policy and guidelines are developed in order to provide direction to health care professions regarding these limitations.

15. Support to the Contractor:

15.1 CSC will provide the supplies and equipment required for health services to inmates.
