Amendment 001 has been issued to answer a bidders question ad make changes to the solicitation.

Q1: I am requesting a change to Item 6.1.2, (i) regarding the wind tunnel location. We are requesting that DND change it from 15 miles (25km) to 25 miles (40 km) as our new facility is within this range from the drop zone.

R1: DND will accept 25 miles (40 km) and make the necessary changes to the Statement of Work.

At Annex A, Statement of Work, Item 6.1.2

Delete in its entirety.

Insert:

6.1.2 A Drop Zone (DZ) that:

- i. Is located within 25 miles (40km) of a VWT;
- ii. Has separate designated military landing area(s), creeping area, and jump aircraft mock up; and
- iii. Is operational 335 days a year [proven, if requested by the Contracting Authority, with statistical substantiation that parachuting could have been done at the site at least 335 days per year based on manifest history within the last five (5) years and local weather network database].
