QUESTIONS and ANSWERS

Question 1:

Is there a scheduled/mandatory site visit for this tender? If not, are there any pics of the existing building, site and components that are being demolished and removed or items that are being modified or added to?

Answer 1:

There is no mandatory/scheduled site visit. Refer to Appendix B1 in the Statement of Work, which contains 21 figures of the site and building. Interested bidders may inspect the site from behind the chain-link fence, provided that access to the site is not blocked at any time.
