QUESTIONS and ANSWERS

1. Question from Bidder:

Are the fish and lamprey traps by others or part of this contract?

DFO Answer 01:

No. DFO will install the traps, which have already been fabricated, after the monorail and hoist have been installed under this contract.

2. Question from Bidder:

Is there any electrical connection required under this contract for the electric hoist?

DFO Answer 02:

Yes. There is an existing electrical connection, which will have to be disconnected from the existing hoist, before the hoist and monorail are removed. It will have to be reconnected to the new hoist as part of the contract.
