Enquiries - Bid Solicitation - Clause # 2.3

To ensure consistency and quality of information provided to bidders, significant enquiries received and the replies to such enquiries will be provided simultaneously to bidders to which the bid solicitation has been sent, without revealing the sources of the enquiries.

Here are other questions which we have received until now:

Question 2: Ref: Annex A, section A.14, Characteristics No 3 and 11

You are asking for both a fifth wheel attachment and a front swivel and tow bar.
Can you be more precise about the required system?

Answer 2: Pictures IMG 0168, IMG 0169 and IMG 0171 in attachment show the type of fifth wheel attachment required. The swivel wheel is requested for marine transportation and might be used as back-up. It will however be replaced by the fifth wheel when the sweeper will be used.

Question 3: Ref: Annex A, section A.14, Characteristic No 12

You are asking for 5 tricycle wheels but we only have 2 or the sweeper, can you provide more detail?

Answer 3: We require 2 caster wheels size 6.00 R9 (see IMG 0172 in attachment). There are four tricycle wheels under the broom and we are asking for a spare (fifth one).

All other terms and conditions of the solicitation remain the same.
