ADDENDA # 1

This Addendum forms part of the contract documents and is to be read, interpreted, and coordinated with all other parts. The cost of all contained herein is to be included in the contract sum. Acknowledge receipt of this Addendum by inserting its number and date on the Tender Form, specifically article G.2.

Note: Because the production and resources are completely different, it's very rare - if ever - that suppliers of polybags can also provide cost effective pricing on re-usable non-woven bags - and vice versa. If you have not yet considered this, you might allow for respondents to reply to all, or just the poly or just the re-usable bags
 - a. The NGC will accept bids for individual subsections (A, B, C, D or E), but will give preference to those firms who can provide both types of bags.
