1. The concept and the poly bags do not seem to match, there is no side gusset on the poly bags, and we would need to know if you plan on printing the bags with 100% ink coverage.
 - a. "Appendix C - Retail Bag Design Concept" has been included for illustrative purposes only. It is not meant to represent final camera ready artwork.

The poly bags are not meant to have a side gusset, but will have a 2" or 4" bottom gusset depending on the size (small, medium, large) per the dimensions listed under C.3 REQUIREMENTS.

White poly is to be used with full-bleed printing in the range of 90%-100%.
