

This amendment is raised to modify the following terms and conditions:

Delete Section 3, Financial Evaluation, in Part 4, Evaluation Procedures and Basis of Selection, in its entirety and replace with the following:

3. FINANCIAL EVALUATION

The Bidder must complete this pricing schedule and include it in its financial bid. Prices must only appear in the Financial Bid and in no other part of the bid.

The Bidder’s financial proposal must be submitted in Canadian Funds, GST/HST excluded, FOB Destination, customs duties and excise tax included. The total amount of Goods and Services Tax or Harmonized Sales Tax is to be shown separately, if applicable.

INITIAL CONTRACT PERIOD

Bidders should note the basis of payment is defined in Part 6 – Resulting Contract Clauses

Delete Mandatory Criteria M5 in article 2.1, Mandatory Criteria, in Section 2, Technical Evaluation, in Part 4, Evaluation Procedures and Basis of Selection, in its entirety and replace with the following:

Number	Mandatory Technical Criteria	Demonstrated Compliance
M5	<p>The Bidder must demonstrate that it has recording/playback services that allows users the option to record, including:</p> <ul style="list-style-type: none"> a) Live channels; b) Store up to 10 hours of playback; and, c) The ability to listen to a live channel while simultaneously recording that same channel or any another channel. 	

Delete all rated criteria in Section 2.2, Point Rated Technical Criteria, in Section 2, Technical Evaluation, in Part 4, Evaluation Procedures and Basis of Selection, in their entirety and replace with the following:

Number	Criteria	Scoring	Maximum Score	Demonstrated Compliance
R1	<p>The Bidder should demonstrate that its proposed solution supports Public Safety's TVs and boardroom technology. The TV models are listed in Appendix 1 to Annex A in the Statement of Work. The boardroom technologies used in the department are as follows:</p> <ul style="list-style-type: none"> - Crestron - AMX - CISCO MX Series AV/VC systems 	<p>For demonstration of Boardroom technologies support up to 15 points can be awarded as follows:</p> <p>All 3 technologies= 15 points</p> <p>2 technologies = 10 points</p> <p>0 or 1 technologies = 0 points</p>	15 points	
R2	<p>The Bidder's should demonstrate its proposed solution permits the use of computers screens to replace legacy TV and boardroom technology.</p>	<p>5 points will be awarded if the Bidder can demonstrate it meets this requirement.</p>	5 points	
R3	<p>The Bidder should demonstrate its proposed recording/playback technology can provide additional functionality above the requirements in M5.</p>	<p>Up to 10 points can be awarded as follows:</p> <p>Recording of 2 or more channels of television for least 50 hours at 720p resolution or greater = 10 points</p> <p>Recording of 2 or more channels of television for over 10 hours at 480p resolution or greater = 5 points</p> <p>Recording of single channel of television for 10 hours at 480p resolution or greater = 2 points</p> <p>480i resolution or greater, no recording = 0 points</p>	10 points	

Number	Criteria	Scoring	Maximum Score	Demonstrated Compliance
R4	The Bidder should demonstrate that they provide channels above and beyond minimum requirements outlined in articles 11.1 and 11.2 in the SOW.	Additional channels included = 5 points	5 points	
Maximum points:			35	
Overall Minimum Points Required to Pass:			20	

Delete Section 2 in Annex A, Statement of Work, in its entirety and replace with the following:

2. REQUIREMENT

Public Safety Canada (PS) has a requirement for a Contractor to provide a solution for the delivery of digital television channel services for up to 150 televisions located in 3 buildings in downtown Ottawa, ON.

Delete Articles 7.3 and 7.4 in Section 7 in Annex A, Statement of Work, in its entirety and replace with the following:

- 7.3 The Contractor must provide recording/playback services for users.
- 7.4 The recording/playback service must provide functionality that allows users to be able to listen to a channel live while recording that same channel or any another channel. Recording capability must be a minimum of 10 hours of playback per user.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
