### Solicitation Amendment 006

This solicitation amendment is raised to include optional site meeting #2 sign-in sheet and to address tender related questions submitted by contractors. All other terms and conditions remain unchanged.

Questions:

Q1. The Bid and Acceptance Form (BA) requests an Industrial Security Program Organisation Number (ISP ORG#) "when required". Please confirm if this number is required. Is this different than a PBN (Purchasing Business Number)?

A1. The Industrial Security Program Organisation Number (ISP ORG#) is different than Procurement Business Number (PBN). The ISP ORG# will be required for some tenders that have a security clearance requirement. The ISP ORG# is not applicable to this tender.

Q2. Please confirm if PST is to be included in the Total Bid Amount.

A2. Please refer to the Invitation to Tender Document dated 2017-06-15, Important Notice to Bidders section:

#### **British Columbia Provincial Sales Tax Act - Real Property Contractors**

Real property contractors in the Province of British Columbia who have contracts with the Federal Government may make purchases for use in real property contracts exempt of Provincial Sales Tax (PST) by providing their suppliers with a completed Certificate of Exemption – Contractors (FIN 491) and, if necessary a completed Certification of Exemption – Subcontractor (FIN 493).

Upon request, Canada will provide the General Contractor with a duly signed exemption form, FIN 491 and if applicable FIN 493.

For additional information, please refer to the link noted below:

<http://www2.gov.bc.ca/assets/gov/taxes/sales-taxes/publications/pst-501-real-property-contractors.pdf>

Q3. GC5.10 of the contract General Conditions includes a Liquidated Damages clause. This clause is open-ended and is not quantifiable. Can this clause be amended to have a cap or a stated amount per day? As it is currently written, we will be qualifying our submission to exclude this clause as this would require us to take on an open-ended risk. Please advise.

A3. We are unable to modify anything in the Standard Acquisitions Clauses and Conditions (SACC). Please refer to General Instructions - Construction Services - Bid Security Requirements (R2710T dated 2017-04-27), GI 02 Completion of Bids, paragraph 2 where it states "Subject to paragraph 6) of GI11, any alteration to the pre-printed or pre-typed sections of the Bid and Acceptance Form, or any condition or qualification placed upon the bid may be cause for disqualification"

<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual/5/R/R2710T/18>

Q4. I see on the invitation to tender that the bids are to be submitted at the Burrard Street location. How many copies? Hard, electronic?

A4. Please refer to General Instructions - Construction Services - Bid Security Requirements (R2710T dated 2017-04-27), GI 02 Completion of Bids for bid submission requirements.

<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual/5/R/R2710T/18>

Q5. Documents state that there are 57 weeks after project is awarded to reach substantial completion. Do you know when the contract will be awarded?

A5. Please refer to Bid and Acceptance form BA 04 BID VALIDITY PERIOD where it states "The bid shall not be withdrawn for a period of thirty (30) days following the date of solicitation closing." We will try to award the contract within the Bid Validity Period.
