Patterson Island, Lake Superior, ON

Amendment #1

The Main Dwelling, Duplex Building, and Old Dwelling will be vacant and available for contractors to use as accommodations for the duration of construction activities at the site.

Each dwelling has propane appliances (refrigerator, stove, hot water). The contractor must refill all propane cylinders at the completion of the construction activities. Each dwelling is powered by its own portable generator. The contractor must bring their own generators to be able to use electricity. The dwellings must be left in a clean and undamaged state following construction activities.
