

Bid Fax: (819) 997-9776

Amendment no. 005 is raised to provide a response to questions raised to date, as follows:

- Q7 Would Canada please confirm that the responsive Bidder must replace the gate system for the underground garage or can the responsive Bidder use the existing gate system?
- A7 As per the response to Q6 in amendment 003, the current equipment on-site must be replaced and not re-used.
