## INVITATION TO TENDER

### Channel Dredging Pigeon Hill Fox Den Gully Gloucester Co., N.B.

## IMPORTANT NOTICE TO BIDDERS

### PROMPT PAYMENT IN THE CONSTRUCTION INDUSTRY

#### Prompt Payment Principles

Public Works and Government Services Canada advocates that construction-related payments should follow these three principles:

- Promptness: The department will review and process invoices promptly. If disputes arise, Public Works and Government Services Canada will pay for items not in dispute, while working to resolve the disputed amount quickly and fairly
- Transparency: The department will make construction payment information such as payment dates, company names, contract and project numbers, publicly available; likewise, contractors are expected to share this information with their lower tiers
- Shared responsibility: Payers and payees are responsible for fulfilling their contract terms including their obligations to make and receive payment, and to adhere to industry best practices
