## AMENDMENT #2

### **THE PURPOSE OF THIS AMENDMENT IS TO POST QUESTIONS AND ANSWERS AND TO ALSO PROVIDE A PARK MAP IN ATTACHMENTS**

#### **Questions and Answers**

Q1: On page 15, the Table at the top of the page asks for prices broken down by Division, 01a, 01b, 02, etc. My Cost Breakdown per Structure includes a lot of that requested breakdown. Are we required to further break our prices down to accommodate the top table or can some of those be left blank where I may have included that factor in the per Structure Table?

A1: The table at the top of page 15 must also be completed in its entirety with the bid submission.

Q2: Are any of the structures accessible via truck and trailer? Or any type of motorized vehicle

A2: No, none of the structures are accessible by truck and trailer, or any motorized vehicle. Some are easier accessible by boat, but still some foot transportation will be required, unless heli-slung in. Distances vary, see map attached for more details.

Q3: On average how wide are the trails leading to these structures

A3: On average, the trails are half a meter to a meter wide.

Q4: What is considered heavy equipment? i.e. can we use mini-excavators etc.?

A4: No utilization of equipment, such as mini excavators. The sites are not accessible to bring any equipment in - hand tools only.

Q5: Where is the staging area for this project?

A5: The staging area will be set-up near the administration building

**ALL OTHER TERMS AND CONDITIONS OF THE ITT REMAIN UNCHANGED**
