

This Amendment 003 is issued to:

1. Issue the responses to the following Enquiries:

No.	Enquiry	Response
001	<p>Can the Authority please confirm the level of Contract Security required for participants at the RFP stage? We are looking to apply for Contract Security for members of our team ahead of the RFP stage. If the Authority can confirm the security level required will be "Reliability" it will be a lot quicker and easier than "Classified Level B".</p>	<p>A Security Guide will be issued within the next four weeks that will indicate the required security requirements.</p>
002	<p>Can the Authority please reissue the "Gretna, MB sheets" as the attachment to the RFQ document is not complete or legible?</p>	<p>Please refer to Amendment 001, section 13.</p>
003	<p>In Appendix C - Submission Requirements states that referenced projects for the IT Prime Member will be evaluated based on the parameters of 'design, provision, maintenance and support of information technology'. Also, in E.2 Approach, it asks for the 'IT Prime Member(s)'s approach to IT and specialized equipment, design, provision, maintenance and support'.</p> <p>In Appendix A - Definitions and Interpretation, the definition of the IT Prime Member is a party that will be responsible for 30% of the design work for IT.</p> <p>Typically on P3 projects we would have an IT Prime Member that designed the IT infrastructure and systems, the Construction Prime Member would install the IT infrastructure and the Facility Operations Prime Member would maintain and support the IT infrastructure and systems.</p> <p>Can the Authority confirm that they require the IT Prime Member(s), to perform 30% of the design work and also provide (install), maintain and support the IT infrastructure? Or are Respondents able to include comparable projects that are from their IT Prime Member for design and their Facility Operations Prime Member for maintenance and support?</p>	<p>Please consult the answer to Enquiry no. 004.</p>
004	<p>In Section E1:Experience, Procurement Authority is requesting ..." 2 comparable project examples demonstrating the IT Prime Team Member's experience where the Prime Team member was primary IT service provider "and where the IT systems commenced being in operation within the past five(5) years from the closing date of this RFQ. ,while under evaluation criteria, (Section E1.1 Comparability) Procurement Authority is evaluating referenced projects based on Design, Provision and Maintenance/Support.</p>	<p>Please see Sections 2.1 and 2.2 of this Amendment.</p>

<p>Typically these elements are assigned to different parties depending on expertise;</p> <p>Design – specialized IT engineering consultants</p> <p>Provision (procurement coordination) – Primary Integration contractor/vendor coordinating multiple vendors (providing equipment) together with commissioning services</p> <p>Maintenance and Support- Specialized IT managed services vendors</p> <p>Please clarify if the Procurement Authority is requesting experience/examples for IT Prime Team Member(s) for each separate identified discipline - Design, Provision/Procurement Integration Coordination and Maintenance service?</p>
